

Welcome to the SoundCheck Training events 2023 at IDA Conference, Copenhagen.

27-28 February - **SoundCheck Core training** - "From AudioTesting starter to Pro"
1 March - **Advanced SoundCheck training** - "From AudioTesting Pro to Master"

Testing of speakers, headphones and other audio devices will be addressed in this course, which starts from the cornerstones of building an audio test system based on SoundCheck, and ends on day 2, with more advanced content and sequences and e.g. Headphone testing, external interfacing, Bluetooth etc., so the participants will end up being able to build complete test setup and run test sequences of most types of audio products incl. eg. hearables / wearables.

The Advanced course will lift skilled Audio Engineers to the next level of Audio Testing, with advanced sequences with loops and subsequences, Bluetooth testing, external control over TCP/IP with e.g. Python and simulated free-field measurements and more.

Program - from 8.30am to 5.00pm (all days)

SoundCheck Core Training Day 1 will include:

Training and hands-on exercises

- Overview, setup, hardware, calibration and virtual instruments
- Sequence and step philosophy
- Stimulus & Acquisition + hands-on exercises

SoundCheck Core Training Day 2 will include:

Training and hands-on exercises

- Analysis and displays
- Sequence writing and Data Management hands-on exercises,
- Limits, Autosave & Recall, Printing, Messages
- Sequence Loops, Jumps and Step Logic
- Post Processing, Statistics

SoundCheck Advanced Training will include:

- Advanced Stimulus, Analysis and Post Processing
- Advanced sequence writing with Loops & Logic and subsequences
- Simulated Free Field & Directional Measurements
- Distortion, Open Loop and Bluetooth testing
- External Control with TCP/IP, Python, Custom Virtual Instruments

Included in the Training Seminars:

Professional trainers, training material, breakfast, lunch, afternoon snacks, coffee, tea and water.

Price, SoundCheck Core Training, 2 days :

Standard - 7.250,- DKK
Support Contract holders - 4.950,- DKK

Price, SoundCheck Advanced Training :

Standard - 4.850,- DKK
Support Contract holders - 2.950,- DKK

Discount is offered for participation in both events, and for more than 5 participants from same company.

There is a limited number of seats available.

Location:

IDA Conference
Kalvebod Brygge 31-33
1780 København V

We are looking forward to seeing you in Copenhagen.
